## PETS CATS & DOGS

### CATS *Photos on page 22 & 23*

**VIC** is 4-5 years old and a little on the shy side. He likes a quiet atmosphere. Vic will reward you with a head bump and enjoys affection when conditions are right.

**NELSON** is 2-3 years old and healthy. His coat is short and smooth. Nelson is independent but does enjoy light attention. He lost most of his tail somehow earlier in his life but it doesn't bother him. He would do best in a quiet home.

**KEITH** is a gentle soul. He likes affection and his coat is as soft as a bunny. 5-7 years old, vaccinations and neuter will be complete this week.

**OSCAR** is a playful boy who loves attention. He is FIV positive and should be the only cat in the home living an indoor cat life. Oscar may bite during play and should be in a home with no small kids.

**BAILEY** is a petite female who was abandoned and left to fend for herself. Luckily a kind resident saved her! She is super sweet, almost complete with spay and vaccinations. 2-3 years old.

**COOKIE** is a three month old female kitten. She improves daily with socializing and will need your continued attention to continue progress.

**BUDDY** is a nice boy looking for his home for the holidays! Affectionate, friendly, silky smooth coat, approximately 4-5 months old. ***Photo above***

# Power Spend

## Double your buying power

Are your current rewards programs truly rewarding anything of value? We don't think so! That's why we created Power Spend. Instead of a confusing reward system, we make it simple: use your TranzactCard for everyday purchases, and for every $1 you spend, you earn a matching Z-Buck. Z-bucks can be redeemed in TranzactCard's Z-club for virtually anything - from everyday items to exclusive vacation packages.
